The total number of delegates requiring accommodation is thus 26 people. One, (Z Skweyiya) needs accommodation from Wednesday and two, (B Ngcuka & R Erentzen) require accommodation from Thursday. The rest of the delegation requires accommodation from Friday. All delegates are most likely to depart after the consultations on Monday.

* May I just recap on this morning's discussion.

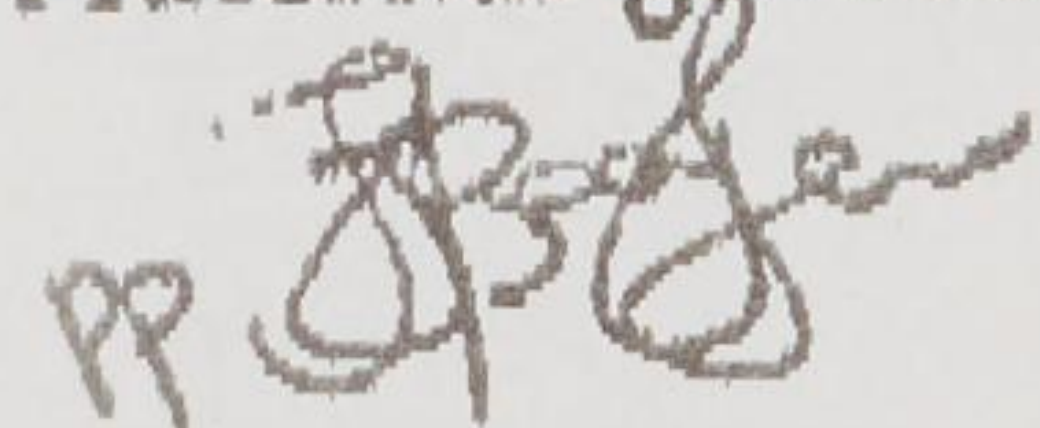

i) FES will make the travel reservations for the twelve people indicated under 1 & 2 above.

ii) FES will also make the relevant accommodation reservations for all the delegates at the Safari Hotel in Windhoek.

The CDS will make travel reservations for the rest of the delegates?

Would you kindly inform me urgently whether the above arrangements are in order.

Fraternal greetings!
