Dear Mr. Storey,

We have received, with deep appreciation and sincere thanks, your letter to our President, Oliver Tambo.

Indeed we are greatly inspired and encouraged by your letter expressing full support for the struggle of our people for total eradication of the criminal apartheid system for the creation of a united non-racial and democratic South Africa that would bring peace and development in our region of southern Africa.

We are convinced that our victory will contribute, in no small measure, to the struggle for world peace, democracy and full economic equality for all mankind.

We wish you all the possible success in your work.

Yours sincerely,

ANTHONY MONGALO

SECRETARY FOR PRESIDENTIAL AFFAIRS
