Dear Bishop

RE: MEETINGS OF TRUSTEES

I see from the Minutes of the Meeting of Trustees held on the 23 May last that it was agreed to hold another meeting on the 24 June.

IF I had been present at the meeting I would have drawn the attention of Trustees to the fact that hitherto ordinary meetings of Trustees have been held twice each year - one combined with the Annual General Meeting (AGM) at the beginning of the year and one at the end of the year. In between these meetings the Executive Committee, which consists of all London-based Trustees, met as necessary to take decisions on urgent matters. This was done in accordance with a resolution of the Council of Management. In the delicate situation in which we are, I would go gently with Trustees. For instance, there was a small credit balance in the bank on the 1 June and not a . DR 6 000. Also, the Austcare debt is substantial but not the Figure shown in the Minutes. I do not, ofcourse, deny that the situation is bad; it is. We have now received t100 000.00 From the ANC in Johannesburg. I am sending half of it to Lagos today because it is needed over there.

Yours Sincerely
