Tanzania.

Dear Comrade Linzi,

I hereby acknowledge receipt of your letters dated the  
21st February and the 2nd March respectively.

1. EX-PAC Students:

Please refer to the Education Officer for clarification the  
position of the Working Committee of the NEC on this issue.

2. Interim School Programme:

Your Committee is to be commended on working out an interim programme for  
our school. This will greatly assist the teaching staff. I presume that a School  
Register is also being kept, pending the formal opening of the school at a  
convenient date.

3. Orientation Centres:

This question will be raised at the next NEC meeting expected soon. We shall  
communicate the decision as soon as it is available.

4. Syllabi:

The comments of your Committee on the various syllabi proposals are noted  
and will be further discussed during the workshops of the 2nd Council Meeting.

Best regards to all the comrades.

Amandla! Maatla!
