Dear Mr & Mrs Zuma

ANNUAL CHRISTIAN LEADERSHIP DEDICATION SUPPER - 29 FEBRUARY 1992
Leaders are enjoined and encouraged to set an example to the nation in their quest for peaceful co-existence and tolerance at a time of fear and violence and sometimes despair. We need to give hope to the people and fulfil the ordained leadership role with God-given strength and wisdom and love.

At a time such as this the people of South Africa need to be encouraged to place their hope and trust in the Lord God Almighty. Christian leaders are urged to pray together and to acknowledge in humility their dependence upon God and to acclaim their faith in Jesus Christ in the power of the Holy Spirit.

All people are equal at the foot of the Cross of Christ and we are giving leaders the opportunity of publicly re-dedicating themselves to the service of God and to the people whom they serve.

The people of South Africa need you as one of the leaders to be part of this national Christian Leadership Dedication Supper to be held on 29 February 1992.

The character and essence of true leadership is often smothered by the pressure of the moment or by ambition or even thoughts of self-preservation. Yet despite exigencies of circumstances and frailties of human nature, God is able to bring forth the real character of leadership when His people seek His face and indeed bless those who seek Him with all their hearts.

The objective of the Dedication Supper is for Christians in leadership positions at various levels of influence, authority and responsibility in the church, business, educational, political, government, professional and communal life of the nation solemnly to dedicate themselves both individually and collectively to the Lord and the service of the people of the land.
