From your

raised iÃ©fTDllbwe:

1. Youth and October: As I have elreedy informed you, the delegation

to this meeting

has already been Farmed and both the eeljgetee and the

Soviet authorities have been netified.

ii. Role of London i-\'201ftiee:after discussions with Eumrade Nkobi, it appears

thet Lbndbn hes misconstrued the basic idea, which is, that the London

office is-nbt the eble oftfiee in Eurbppe and

must work but a system of

ebbrdinetibn with the other mieeibns in Rome and Stbekhblm. we ere_writing

to them to Clarify matters.

The reference tgiettere to be acknbwledged dues of course

re-

Fleet the handicap we have due to non-existence of permanent secretarial

~/

staff For FEE: office, It would be an ironical reference to the fact that since London now has employed a Secretary & typist, they can now afford to write separate letters for each item they wish to raise, whereas we

still raise all issues in one letter in our reply.

T

In any case meet at the items they raised had already been the intermediary of an AND official in London.
