OUR REF: YOUR REF: DATE:

RE: INVIIATION TO ANC DONORS CONFERENCE

. The African National Congress hereby invites you or a representative of your Ministry / Organisation to attend the ANC Donors Conference to be held in Arusha, Tanzania for February 6 - 8, 1991.

With the legalisation of the ANC in February 1990, the Movement accelerated the process of consultation with Mass Democratic Movement structures and other organisations on development policy and priorities. The scope and complexity of these consultations made it necessary to defer the Donors Conference, which was originally planned to take place in October 1990.

The revised objectives of the Donors Conference are:

- to discuss a strategic approach to development
- to present programmes and project priorities, both internal and external
- to solicit funding from donors
- to discuss mechanisms and structures for coordination . of projects and funding

Each organisation is expected to meet the cost of participation by its representative (travel, accommodation, meals, trips). Invitees are expected to make their own travel and accommodation arrangements. however, to facilitate this process the Preparatory Secretariat has made block reservations for hotels in Arusha and Dar es Salaam. Additionally, block reservations for certain flight routes into Dar es Salaam have been made and if necessary flights will be chartered between Dar es Salaam and Arusha.

To enable the Secretariat to make proper and timely arrangements, all invitees are requested to fill in the attached questionnaire and forward it to the Secretariat in Dar es Salaam as soon as possible.

All invitees are requested to communicate directly with the Secretariat for ANC Donors Conference:
