Africa Leadership Forum
20 June, 1991

Dear Mr. Mafale,

Re: Conference on the Challenges of Post-Apartheid South Africa to
Southern Africa in particular and Africa in General
9 - 10 September 1991 Windhoek Namibia

As I mentioned to you yesterday, Africa Leadership Forum (ALF) is
presently undertaking preparations for the above meeting and would like to have
at least twelve prominent South Africans to participate at the meeting. So far,
we have extended invitations to the following: Messrs. Thabo Mbeki; Bhe-
nengiso; Colin Eglin; F. Van Zyl Slabbert; Allister Sparks; Phillip Baum; J.C.
Van Zyl and, S. Musonyane.

I was very glad to learn that you are travelling to South Africa over the
weekend and that you will be in a position to bring this matter to the attention
of ANC. In particular, ALF will appreciate knowing who in the leadership, in
addition to Mr. Mbeki, may represent ANC at the meeting so that we may
extend the necessary formal invitation. Secondly, we believe the meeting should
also involve one to two senior officials from the South African Government -
possibly of a cabinet rank. We hope ANC can advise who are likely to be most
suitable in this regard.

In order to give you some idea of the specific objectives of the meeting,
I am enclosing a copy of the invitation we sent to Mr Mbeki which you might
as well deliver to him in case he has not received his fax copy. I am also
enclosing a list of persons we have invited for the meeting in their personal
capacities.

I look forward to receiving some fax communication from you in the
course of next week.

Yours sincerely,

'W

Felix G.N. Moshale

With kind regards.
