Dear Comrade Rodney,

I am writing to inform you that the "Bread & Fishes" organisation in Sweden have copied me with the fact that they have sent you a consignment of hospital equipment in a Container.

This should reach you by the 12th June in the ship "Olga Ulanyvo".

Please as soon as it gets there and you have the goods in your possession see that you send back the Gift Card acknowledging receipt of these goods.

You must also at the same time send me the BL signed by you with the date of receipt. And this applies to any other BL not yet sent as well as lists of goods received from local sources. I want to emphasise that all goods received must please be sent to me separately from the rest of your report.

I hope that all is going well with you and that you are not short of anything.

I hope to send those fifty triplicate books to you shortly.

Has there been a follow up on the Piggery after Ode. Malume and I contacted FAQ?

Also I would like somebody in the Treasury in Maputo to let me know anything about the farm that we are supposed to be negotiating about. Has anything come of that and if so how far has it progressed? Please do not wait to report as much as you can about this matter as it was never really mentioned in detail to me in Maputo.

Regards to all the comrades.

Fraternally,
