Dear Jojo,

This is just to confirm that I spoke yesterday to Dag and his son, and informed them that I'd received an urgent message from Thomas Nkobi to the effect that he wants you please to make arrangements for Jacqueline to be provided with a ticket which would enable her to return to Lusaka without delay. I understand she has one of these excursion tickets which has expired.

We are making some progress here on the house question. How are things going your end?

For the benefit of the Cape Townians and former NEUM people who will know ^{TOEFY} ~~Tophi~~ Bardien from Cape Town - we have just been informed that he passed away shortly after the lifting of his banning order.

How is Kay getting on ?

Amandia !

Reg September.
