- 1.4. Comrade Sindiso reported that he had not written to the other centers; he had overlooked the matter.
- 1.5. On list of experts that was to be drawn by Cdes Manto, Randeree and Myford. Cde Manto could not make it to the office at the agreed time because of problems she had with her ticket. From henceforth Cde Mayford has to ensure that Cde Manto has her ticket in time. No list has been submitted to W.H.O.
- 2.0. REPORT FROM BRAZZAVILLE: Cde Manto reported that she had missed her plane to Luanda. She had then to travel to Kinshasa and to Dar es Salaam via Addis Ababa. She was not fetched for the Airport in Dar es Salaam for the Lusaka plane only to be told that she had been forgotten. And could only come now. Cde Sindiso commented that he had telexed Cde Manto for the date of the conference but up till the time she was in Dar es Salaam there had been no message. Cde Manto replied that because of poor communication lines the message could not reach Lusaka.

- 2.1. The Brazaville meeting which opened on the 1st June was attended by the three liberation movements; the secretariat and the OAU Liberation Committee. ANC chaired the meeting with SWAPO as the rapporteur.
- 2.2. After long discussion it turned out that the Director General would attend but that the W.H.O. fears for his security and was therefore asking for an alternative venue. We were firm on Zimbabwe, but had given Zimbabwe, Mozambique, Angola and Zambia in order of priority.
- 2.3. On the UN calender of activities for this year, 1st - 15th October and 15th - 31st November are free. The conference would be placed on either of the two dates; though most probably in October since in November most people are busy preparing for the festive seasons. The Regional Director is still to inform us on the definite date.
- 2.4. Conference is to be addressed by the Presents of the Liberation Movements and Representatives from the Front Line States.
- 2.5. Preapations of papers:-
 - Maternal Health and Analysis of the Health System in South Africa by A.N.C. (SA)
 - Health Action - a joint paper.
 - Worker's Health by SWAPO.
 - Mental Health by P.A.C. (Azania)
 - Child Health by the OAU.
 - Health and Liberation by one of the newly independent states.
- 2.6. All papers to be submitted by June 30th so that translations should be completed by July before the August Regional meeting.

- 4.2. SWAPO had informed Comrade Manto that our ticket for W.H.A. had appeared at their office in Luanda and they had taken it to our office. Comrade Mokeba had then sent it back to Geneva. Matter has been referred to the S.G.'s Office.

- 5.1. Subsequently, a special meeting was held on 30th June to examine the three (3) draft papers prepared. These were approved after some amendments and were to be taken by Cde Manto for submission to the meeting of the Conference preparatory meeting scheduled for 6th July in Brazzaville.
- 5.2. It was agreed that means should be made to ensure that all other centres get copies of the papers submitted. Any extra material available should be prepared for distribution during the conference. This could be in the form of leaflets or folders, highlighting certain aspects of dispensation of Health Services in South Africa. Other A.N.C. publications like Sechaba should also be distributed.
