RE: "August 26th - Namibia Day

Dear Excellency,

This year is witnessing three important events with regard to Namibia.

Firstly, it is the 20th anniversary of Namibian armed struggle against the colonial, apartheid, illegal and fascist South African occupation of Namibia.

Secondly, this year is the 20th anniversary of the termination of the South African mandate over Namibia by the United Nations General Assembly, resolution 2145 (XXI) of 27th October, 1966 - thus, 20 years of South Africa's illegal occupation of Namibia.

Thirdly, this year is the 9th year when five Western countries (Federal Republic of Germany, France, United Kingdom, USA and Canada) started negotiating peaceful solution to the Namibian colonial issue - a solid 9 years wasted for "negotiations". Namibia is the last colony!

This year we would like to celebrate August 26th - Namibia Day on the 5th September, 1986 at the Embassy of the Republic of Zambia, Mittelstr. 39, 5300 Bonn 2, from 19.30h - 22.00h.

Our Namibian students in the Federal Republic of Germany will perform different cultural activities with entertaining Namibian songs. There will also be a photo exhibition.

I am therefore once again inviting you and, at the same time, counting on your political, material and moral support for our activities. For the entertainment of our guests, we count on your material and financial support to mark that day.

Therefore, on behalf of the oppressed and displaced, but for freedom and independence struggling Namibians, I avail myself this opportunity

.../2

to express to Your Excellency that our movement SWAPO of Namibia appreciates and enjoys the sustained support we obtain from your country and government.

Please accept, Your Excellency, the assurance of my highest esteem.

Yours respectfully,

Nghidimondjila Shoombe

Chief Representative to the  
Federal Republic of Germany  
and the Republic of Austria
