SUBJECT : Some Words of Thanks.

Dear Father,

This is to, on behalf of the African National Congress; the sword and the shield of the oppressed in our beleaguered fatherland, my family and my own self thank you and other missionaries for making it possible that my family pays me a visit.

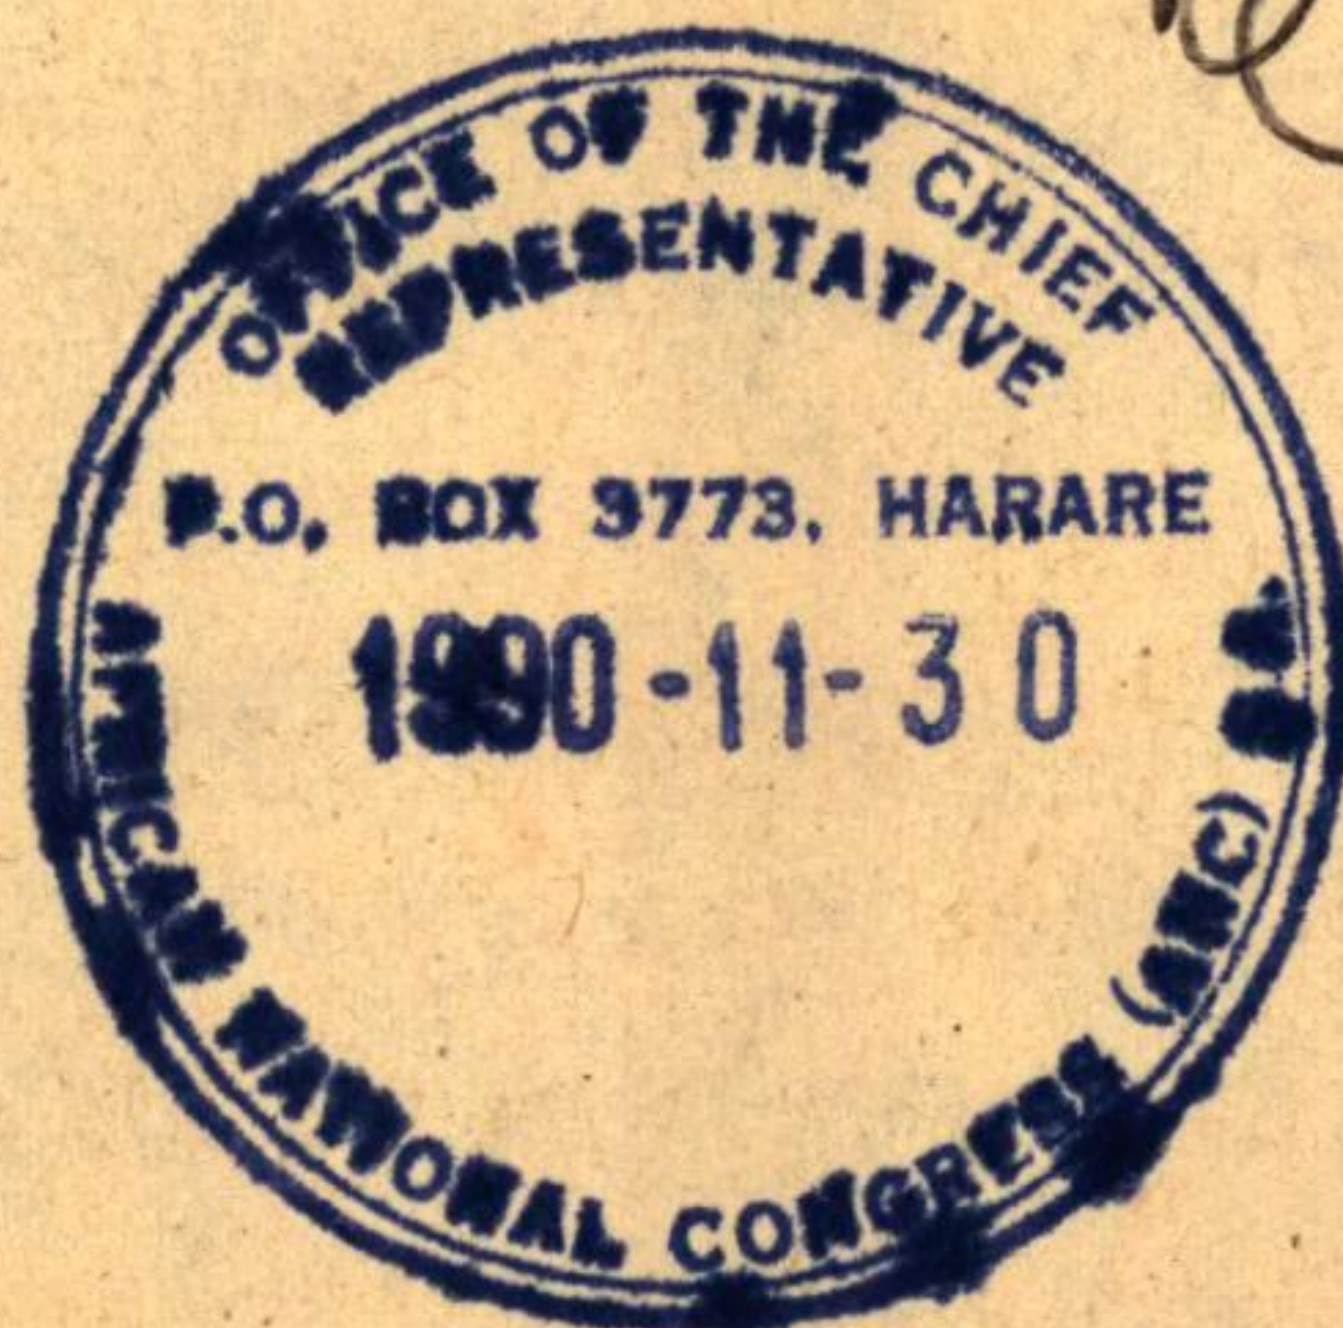

After almost three decades of news blackout, the church made it possible for me to see them. Indeed as i always sing - Trust in the Lord and don't despair - , the Almighty has worked in his own ways.

I wholeheartedly thank the shepards of God, as well as members of the flock.
