Dear Sir,

I just wish you to know that Mrs Mandella has been one of the few people in life in who I have any faith. She will continue to be so. I feel an enormous sense of gratitude to her, for the example she has shown, of how it is possible to live a moral life, even in adversity. I still admire her greatly and wish I was able to feel as proud of my life as she has a right to of hers.

Please convey this to her along with the enclosed letter if at all possible. Please pass to her my very best wishes.

Yours Faithfully

  
Clive Ramsey
