The Chief Representative

African National Congress

Mozambique.

Dear Comrade Sydney,

Greetings and best wishes for the new year.

We have now in our region Habibu Nahara who came to Finland from Maputo recently and informed our office that he had come to marry his Finnish girlfriend. Cde Habibu was in Finland in 1988 as part of a group from Mazimbu/Dakawa to undergo a course in vocational training. The group returned to Dakawa in late 1988.

As we had no prior official notification of Cde Habibu's journey and its purpose, we would be grateful if your office could clarify his current status. In particular, does he have the necessary clearance to be here and, if so, for how long.

Your earliest response would be highly appreciated.

With best regards,

,W 57/01 MN;

Mohamed Hussein
