Dear Dr. Donges, Re. L. Forman.

In pursuance of our conversation on the 8th. November, 1949. as to the restoration of the passport to young Forman, who is booked for the N.U.S.A.S. trip next month. I have had another discussion with Dr. Suzman on the subject of your query as to the effect of such a trip on Forman's health, as well as on his undertaking not to embark upon, or indulge in any propaganda while overseas; which, in any case, is precluded by the state of his health and by his Doctor's instructions. Under the circumstances, I trust you will give the matter your early and may I hope favourable, consideration.

With kind regards,

Yours sincerely

I. Kentridge.
