Dear Mrs Mthembu

It was indeed a pleasure to meet with Mr Mntandi and yourself today. I found our consultation useful and look forward to receiving the notes on the meeting.

Thank you for sending me on 21 October 1993 the letters from former SAEU students who require assistance for conventional courses. We are processing this request and where possible will sponsor them.

Herewith please find SAEU Re-registration forms for repatriated students. We did send you copies of these previously and feel you may require them for your files.

It will be advisable to check that all the forms were indeed sent to you. Those not copied to you will have to be contacted.

. With regards

Yours Sincerely
