Dear Comrade Khaya

re; The four A.N.C. library students

The four library A.N.C students have once more appealed for help through my office. As you well-know they have been shouldered by your treasury throughout this year. I felt I should equally refer their last request to you, hoping you will kindly assist them. their needs are as follows:

a) To be assisted in typing their theses.

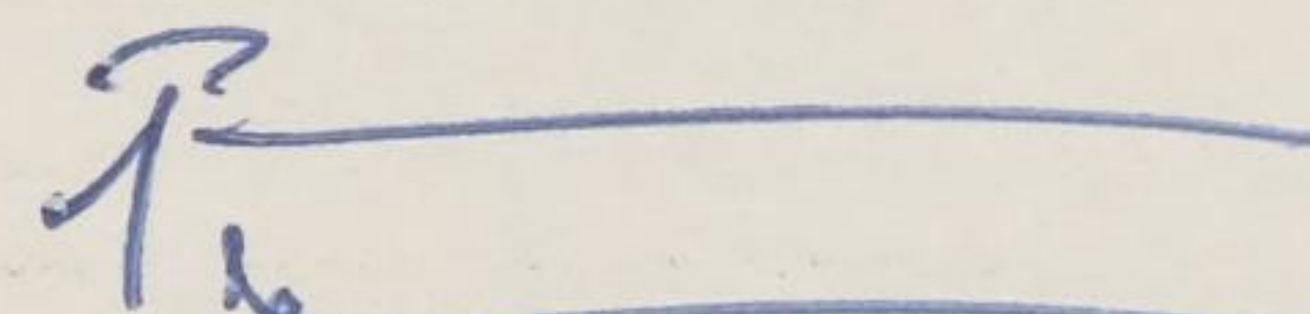

Each has to submit a 30 page thesis at 20/= a page =2400/=

b) Binding of thesis = 250 each = 1000/=

Grand Total =3400/=

The theses must be submitted by the 30th October, 1987.

Your co-operation, as always, will be highly appreciated.

Stanley Mabizela
Chief Representative.
