Dear Finn,

Re: Sponsorship of Ms Janis Maji  
ANC Student from Mazimbu - Morogoro

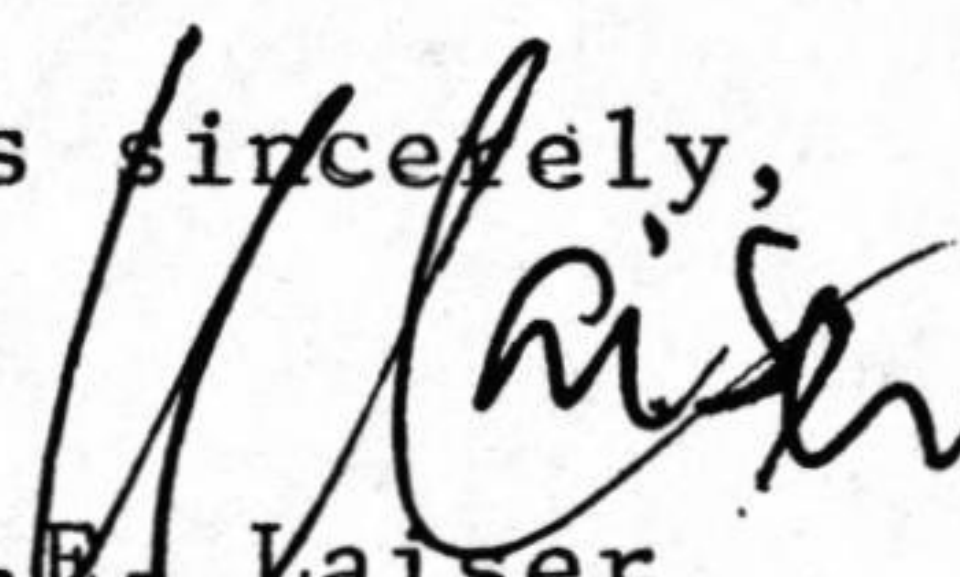

The above named has sent an application letter (copy enclosed) to LWS Geneva enquiring if she could be sponsored to a higher Institute for degree course in Tailoring and Designing.

She had previously completed her Ordinary Level course in Tailoring Design and advanced in Designing at Speciss College in Zimbabwe in 1987.

As there are no Institutions for such courses in Tanzania we forward her application letter to you to see if you will be able to advise her on her request if there could be any Institution known to you either in Zimbabwe or in any other country.

Please advise her directly copy to LWS Geneva. Thanking you in advance for your cooperation.

Yours sincerely,

Dear Sir/Madam,

APPLICATION FOR SPONSORSHIP.

I hereby apply for sponsorship for the year 1988. I am a South African refugee based in Tanzania.

I have just completed a course in Tailoring, Ordinary Design and Advanced Designing at the Speciss College, in Zimbabwe. I would like to further my studies in the same field at degree level in any country where such courses may be offered.

I would greatly appreciate it if you were also to advise me on appropriate colleges for this course.

I hope my application will recieve your favourable consideration.

Yours sincerely,

Janis Maji (Ms).
