Re: Peter Mohlala

Dear Cde Khuzwayo,

We have received your letter dated 20th November relating to cde Peter Mohlala's presence in Harare. Our earlier decision to allow Peter Mohlala to be on his own was a submission to his persistent requests or appeals. When we met him here he said we are misquoting him. He claimed to be waiting for 'redeployment' by the Movement.

We have not deployed Mohlala in Zimbabwe. His coming there is purely his own family arrangement. As a movement we have absolutely nothing to do with. This should be explained to the authorities there. That means then that even the children have ceased to be our responsibility.

We have checked with HQ. No official knows anything about Mohlala's shifting to Zimbabwe and why he is there. It may be useful to read this letter to him as well.
