Dear Cde. Mohammed Tikly,

RE: INTAKE OF RETURNEES AT KWSC

The Board of Trustees of the Youth Education Trust at its meeting held on 17.12.92 resolved to create spaces for '63 returnees with a minimum of a Standard nine pass with Maths, Science and English.

The same meeting resolved that Batlagae Trust in conjunction with the ANC OCRPE should recruit these students. It is therefore suggested that the prescribed application forms will be sent to Batlagae for the students to YET for further processing.

We look forward to your response on this proposal and arrangement of filling in forms.

Sincerely,

\$4144-
