

REPUBLIC OF BOTSWANA

THE STATE PRESIDENT GABORONE

REFERENCE NO: PP0.16/10 I (50) 24th May, 1993

Right Honourable Trevor Huddleston Cr  
President of the Anti-Apartheid Movement  
17 Mandela St.

LONDON NW1

United Kingdom.

Your Lordship,

I was indeed happy to learn that Mwalimu Nyerere and  
yourself are preparing to convene an International Conference  
on Southern Africa in mid June 1993.

Considering the numerous developments presently taking  
place in this region, I must say that your meeting could not be  
more timely. It is absolutely crucial that the whole world  
gets involved in these transition times, to shape a better  
future for the peoples of this region. We need everybody's  
support and involvement if we are to succeed in shaping the  
political and economic future of Southern Africa. I was indeed  
gratified to note that your conference will be dealing with  
pertinent issues, and involving a wide cross section of  
speakers with deep knowledge of issues that affect this region  
both in the present and future times.

It is therefore with utmost sincerity, that I send you  
this message of support and wish you every success in your  
deliberations, in the hope that a lot of good will come out of  
it.

NT J. Masire

PRESIDENT OF od REPUBLIC OF BOTSWANA.
