Dear Cde Tin,

CIBS EVALUATION 318310! 18-23 JUL! 88

My apology for this belated response to your letter dated 28/7/88 on the above.

The Department lays much emphasis on the need to complete the above Italian- Governlent Sponsored Block 5 Project on schedule because of its practical lnportance for SOHAFCO & because of the esteem hstatus of the ARC ln the view of the Governent & people of Italy & many other countries. '

He request regular progress report on the development of this Project as we gaveNiekacertain undertakings when she first discussed the Project with you & the Construction Section in 1987.

6133 has suggested that it will give consideration to a gymnasium at Hazinbu. Please inform us or this offer is being taken up &, if so, is the Project Proposal ready for submission to 6133.? A copy or this Project Proposal will be appreciated by the Department.

To facilitate coordination bynour Department's Project/Finance Section we'd be happy to receive also a copy of the conpreheusve list of needs for all SOHAPCO DIVISION that you state in your letter will he sent to 6133. He presume that the Bursar, Cde Hbatyoti has been involved in this exercise, because the preparation of a Joint requisition for sll SOHAFCO DIVISION is one of his principal tasks.

In t e !ear of United Action for People's power.
