Dear Frene,

You may remember that this Department, with the
Community Law Centre of the University of the
Western Cape, hosted an Administrative Law
Workshop in February this year.

As a result of the interest generated by that
Workshop, the University of Cape Town's Faculty
of Law decided to devote the 1993 volume of its
journal, Acta Juridica, to the subject of
administrative law reform and to publish some
of the papers delivered in February. I have
much pleasure in enclosing a complimentary copy
of that volume for your interest.

With best wishes for 1994,
Yours sincerely,

HUGH CORDER

Professor of Public Law

The University of Cape Town rejects racism and racial segregation and strives to maintain
a strong
tradition of nondiscrimination with regard to race, religion and gender in The constitution of its
student body, in the selection and promotion of its staff and in its administration.
