Dear Mr Nogxina

All of us at South African Airways Domestic and Africa services, hope that you enjoyed a happy and peaceful Christmas and wish you a prosperous year ahead. Despite the fact that we expect to face yet another difficult year on the economic front we are confident that we have positioned ourselves in such a way that we will meet the many challenges with enthusiasm.

We are committed to reaching our goal - namely to ultimately become your airline of first choice to the markets we serve. As such, service quality, especially to our Frequent Flyers remains our top priority.

Please note that effective from 1 January 1993 all air tickets are subject to a passenger levy instituted by the Department of Civil Aviation as follows:

- Domestic Flights - R5 per person per departure

- International 8: Africa Services Flights - R20 per person per departure

We regret these duties may not be paid with Travel Rands and must be paid for separately to the relevant ticketing office on issue of your tickets.

Enclosed is your personal copy of Frequent Flyer News, together with your statement (where applicable) . Kindly note the expiry date of your next quarter and ensure that you use these Travel Rands prior to that date in order not to forfeit them.

We hope you enjoy this edition as much as we enjoyed compiling it especially for 7 ' 5421M.
