11th June 1990.

The Officer Commanding,
Daventry House,
Harare.

Dear Comrade,

RE: SOUTH AFRICAN PASSPORT OF REV. GILBERT NKOMO.

It has been brought to my notice that the above-mentioned arrived in this country from South Africa on a valid South African passport also, this South African passport was taken by the relevant Zimbabwean authorities when the Rev. Gilbert Nkomo was issued with a United Nations travel document. The name of MRS. MATINDIKE has been mentioned to me in this context.

My instructions are that the Army Commander of the African National Congress would like the above-named comrade to travel back to South Africa on 15.06. 90 and that he will accordingly need his South African passport back.

Can your good office be kind enough to facilitate that the South African passport in question can be made available for the purpose outlined herein, for which help the office of the undersigned would be most grateful?

I remain,
Comradely yours,

MAX MLONYENI .

Chief Representative.
