FR: MOHAMED, FINLAND  
22/7/93

As advised in a previous communication, the telephone/fax links to the office will be terminated tomorrow(friday 23rd). The Trade Union Solidarity Centre has agreed to forward any fax messages to me until I leave on 10th Aug. Their fax no. is: (+358 0) 135 5703. Pls mark all communications specifically for my attention.

I will next week post some boxes of documentation related to this office which, I presume, will be stored in some sort of archive(have we given any thought to this matter?). Exact details of the consignment(approx. two medium size boxes) will be forwarded in due course.

Also kindly advise all departments not to post any further mail to this office.

Best regards.
