Dear Student,

I am very pleased to inform you that your application for an Africa Educational Trust award has been successful. Details of the scholarship are shown on the enclosed 'Conditions of Award'.

Tuition fees are paid on receipt of an invoice from the institution at which you will be studying. The maintenance allowance will be paid monthly in advance direct to your bank account on approximately the 25th of each month. The book allowance will be paid together with your October allowance at the end of September.

You should read the 'Conditions of Award' carefully. If you wish to accept the scholarship please sign the blue copy, complete the details on the reverse and return it to the Africa Educational Trust as soon as possible. If any of the details are not yet available, please supply them as soon as possible but do not delay in returning the blue form. The white copy should be kept for your own reference.

Also enclosed with this letter are:

- 1) a formal letter of award which you should give to the College
- 2) a formal letter of award which you should sent to the Home Office

With best wishes.

Yours sincerely,

Kees Maxey
