Dear Theuns:

Thank you for your fax of March 30 confirming that we will be able to observe the April 1-2 meeting of the Multi-Party Negotiating Forum.

Our Chief of Mission, Ambassador Princeton Lyman, is making arrangements with ANC Secretary General Cyril Ramaphosa to meet on the fringes of the Forum during the morning of April 1. We would appreciate your allowing him access to the World Trade Centre and the Forum during this session so that the meeting can take place.

Our observer for the duration of the Forum will be First Secretary Terry Pflaumer. As in the past, Second

Secretary Earl Irving will also be present, acting as Press Attache.

Please let us know if there are any problems with these proposed arrangements.

Dear Mr Eloff

Thank you vÃ©ry much for your faxed letter of invitation to the first meeting of the Multi-Party Negotiating Forum on 1 and 2 April 1993, at the World Trade Centre.

| shall of course be most happy to observe this important occasion, at least on the opening day. However, on Friday, April 2, my presence is required at the opening of the Rand Show, in which the Republic of China has the largest pavillion of all foreign countries, at least when it opens at 10 a.m.

| shall appreciate it very much if, just for Friday morning only, Dr Tai Feng. my political counselor, could take my seat at the Multi-Party Negotiating Forum to take notes and prepare the report to my Government. Judging from the experience of the Multi-Party Planning Conference, there may be unforeseeable delays due to a variety of reasons, but | would like the Embassy to be represented at all times.

Thanking you in anticipation for your assistance,

Sincerely yours
