You are requested to take careful note of the information below on NEWS & VIEWS.

It is important to have a lively, informative newsletter and I hope that you will submit regular items of News and comment.

The News Committee in particular can provide a useful service through News and Views.

Please submit articles to the Chief Administrator's Office by Thursday Lunchtime.

In the year of MK

Circular To All Heads of Departments

As you are probably aware, "News and Views" is now back in circulation. We are appealing to all Heads of Departments to encourage workers and students to write articles in their spare time for publication. These could be sporting events, news on projects planned, in progress or completed, news on comrades/workers who have been transferred or have joined the department, reviews of South African or world events, etc.

As it is intended to publish the paper every Friday, we shall be pleased to receive all articles for publication by midday on Thursdays.

T. Maseko
Chief Administrator
