DORMITORY ASSIGNMENTS

MEAL

The first meal served in the Blindern Studentehjem dining room for early arrivals is lunch on Friday, June 22, from 12:00 - 15:00.

Pocket Money (personal allowance)

Scholarship recipients from countries with fixed currency restrictions who have been informed in their Formal Letter of Admission that they will receive a certain amount as pocket money paid to them on arrival should note the following advice from last year's recipients:

This amount does not go very far and it does not, for instance, allow for dinners at Oslo restaurants should one not like the food served at the ISS dining room. Persons who expect to eat what they are used to at home should therefore not come. Neither does the amount allow for frequent visits to the campus pub. Please have a look at the list of prices on p.4 to give you an impression of the price level in Norway.

REGISTRATION.

All participants should report to the Blindern Studentehjem on Saturday, June 23 between 9 and 3 (15:00) to confirm their arrival and their course registration. This confirmation of registration will be
