Dear Emuga Reddy,

In order to get the affairs of the Cultural Foundation against Apartheid moving it is the view of the members of the Executive Committee of the Foundation, particularly those residing in France - notably Jacques Derrida and myself - that Chantal Bonnet, who has been handling informally the business of the Foundation, be appointed to the office of Director of the Foundation. She has agreed to fulfill this function gratuitously for as long as the Foundation cannot pay her salary.

We have prepared the letter of appointment attached herewith which I have signed and which we are asking you to co-sign. This procedure is in conformity with requirements spelled out in the Articles of Association of the Foundation.

I should be most grateful if you would co-sign this letter of appointment, keep a copy of it for your files, send me a copy in care of Artists of the World against Apartheid, 4 & 6 Av. de Saxe, 75007 Paris, France, and mail the original to Chantal Bonnet at the address indicated at the bottom of the letter.

Thanking you for your cooperation and looking forward to hearing from you, I remain,

Yours sincerely,

Antonio SAURA
