Dear Friend,

RE: **STOREKEEPERS COURSE - MAZIMBU AND VIANA**

We are in possession of a copy of your letter to our mission in Angola, dated 02 June 1989.

Please accept our sincere apologies for the lack of follow-up on our part on the question of the Storekeepers Course. This office was under the impression that after the completion of the first part of the course, which was very satisfactory, no further approval was needed. We had in fact taken for granted that the training would continue as a matter of course.

At this juncture, please accept our assurances that we were satisfied with the initial training and would very much like further courses to be organised. We, therefore, kindly request ICCO to include this project in their next budget.

With best wishes,

Yours fraternally

T.T. NKOBI
Treasurer General
