

ANC REPRESENTASJON I NORGE

His Excellency
Ambassador Sundie John Kazunga
Embassy of Zambia

Your Excellency

Request for extension of travel document for Ace Molutwane and Joseph Ngwenya.

The African National Congress wishes to express its deepest appreciation for the solidarity and fraternal assistance that has been accorded by the Republic of Zambia to the ANC in the struggle for a united democratic non-racist South Africa. As a part of this assistance the Zambian government has issued travel documents to our cadres enabling them to undertake various studies in different parts of the world.

The ANC has now in Oslo two students who are the holders of Zambian travel documents which are due for expiry and may endanger the pursuance of their studies.

1. Mr. Ace Molutwane, on a 3 year course in printing and graphics, has travel document:

Number: TDI/478/86 and RE/TDI/ZES/6/17/87

Expiry: 22.09.88

2. Mr. Joseph Ngwenya, on a 3 years course in electricity, has travel document:

Number: TDI/552/81

Expiry: 28.09.88

We kindly request Your Excellency's assistance in extending the above mentioned travel documents.

Your Excellency, kindly accept expressions of our highest considerations.

Oslo, 11th of October 1988

Yours sincerely
