Dear Mr. Saloojee:

On behalf of the Outreach Committee of St. David's United Church, Woodstock, and for my own interest I went to hear Cedric Mayson talk to a small group of people near Unionville, Ontario. He is a fascinating speaker who makes the possibility of making a difference in the fight against Apartheid seem real even for individuals or churches who are quite remote.

He told us of some immediate requirements such as paper and school materials which could be sent to you to be forwarded to Africa. Our Sunday School might be interested in supporting a group of children in Africa.

If you have suggestions for projects our church might get involved with and if you could keep us informed of supplies which are needed, I would try to organize their collections and delivery to you in as much as I can. I look forward to hearing from you in the near future.

Sincerely yours,

J. M. Lloyd-Smith
