Re: Requisition for ANC assistance.

Dear Cde Aholo,

Cde Zandile Radebe wrote to request we assist her with supplies as her K300.00 monthly earnings cannot surface for her everyday needs of the house. She tabled all her house-hold expences which amounted to more than twice her earnings.

Our Committee appreciated her difficulties and has accordingly decided you send her child one persons supplies like is the case with other comrades of the same category.

We hope Cde Aholo you shall help this comrade.

To Unity in Action,

Amandla - Maatla !
