Comrade Mendi Msimang,
Education Officer,
ANC(SA),
Dar es Salaam.

Dear Comrade Mendi,

Thank you for your letter of August 1, 1983 regarding Mabutho Msimang, Sam Ledjuma, Willie Thwala and Praisegod Bhiza Zulu. Most unfortunately, we have neither information of the place and institutions where they were studying nor their whereabouts presently. May we ask that if you have any knowledge of where they are, please inform them to report at the NSC Office on completion of their studies; and, we will then therefore be in a position to ask them for the said reports.

In the Year of United Action.
