20the December 1983.

Mzala,

Here is the full repert as promised. i have given it to Makhaya because it was not yet ready when Jobs left. You will note that I say appended for each text. This is not necessarily so. Most of the documentation was given to Jobs to deliver to you. Also get his testimony and have it typed and filed with the rest of the documentation. Bususiwe spoke ad lib bĩ-\201t we should obtain the notes she drafted.

{ĩ-\201l spoke to Mathlape about the project and he was supposed to set up an appoint-
;

ment with the Transnational institute before I left for London. He has not done so. I had to make the contact myself and spoke to Bashkar Vashee whom I fortuna
Eicrwâ\200\231

~tely know from London. We will have to go into this whole thing more thoroughly

\AMĩ-\202ĩ-\201.â\200\230 and Mathlape's role in it seems rather odd from Bashkar's accou
nt.I'll report

in full to the Unit when I get back.

Also spoke to the Govan Mbeki Scholarship people. They are desperate for the two candidates to come. If we can't provide candidats the whole thing will fizzle out. There are some interesting proposals regarding the work done here

Kjffjch bear looking into. I should get back to base by second week of January.

Fraternally,

2&4 Tm
