Dear Kingsley:

Finally, the National Association of Black Social Workers will get a chance to share your rich experiences and knowledge. Katey has advised that you have graciously agreed to be a presenter along with John Bess and Jeff Canada at the 8th Public Policy Institute to be held in Boston, Mass. on July 17, 1992.

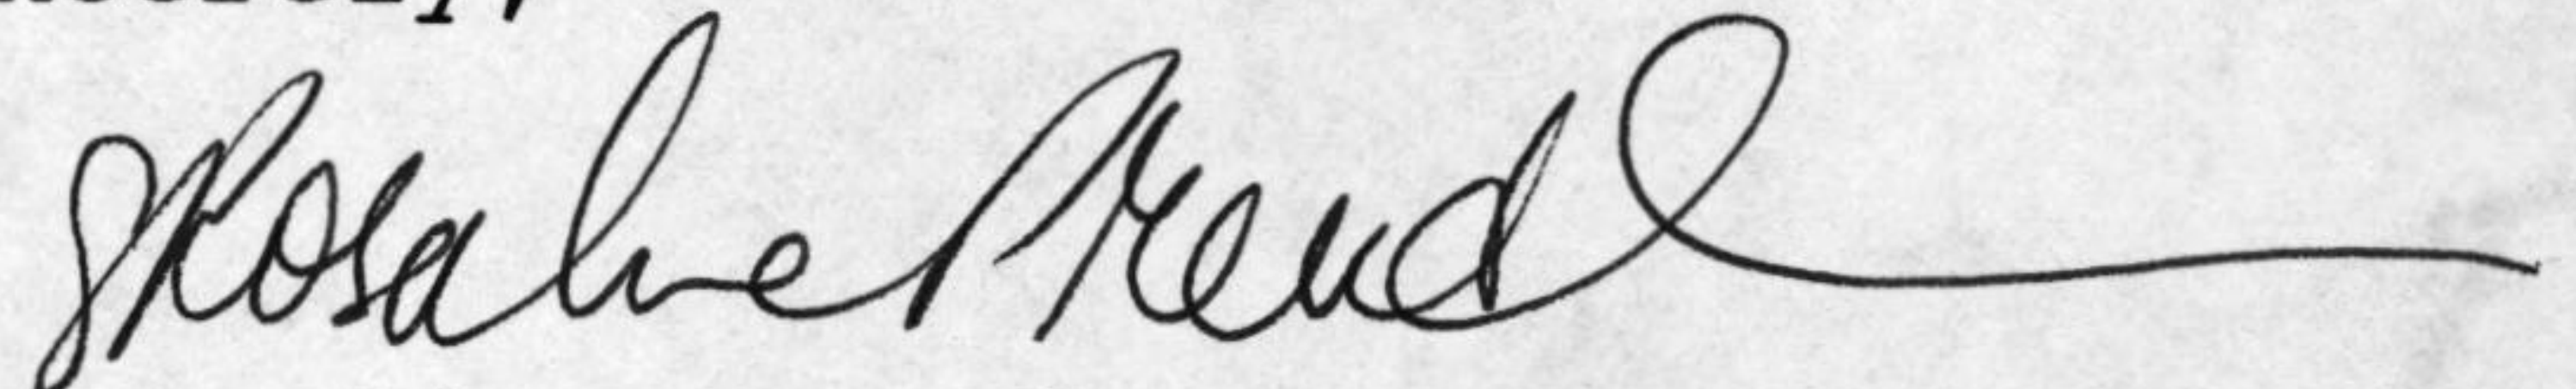

For your information, the overall theme of this series of institutes has been; "Preservation of the African-American Family". The theme of this institute is: "From South Africa to Harlem, USA: Effective Strategies for Social Policy Change and Implementation."

I have attached a copy of the agenda for your perusal. Katey will be calling you to follow-up on any details.

I regret that I will be away on an international educational conference, however, I am confident that you will be well received by the leadership of the Association. If in the meantime I can do anything, please do not hesitate to reach me at (518) 473-8455.

Again, thank you for your kind acceptance of our invitation.

Sincerely,
