20th July 1990

Dear Adelaide,

The following arrangements have been made for Oliver:

1) Tuesday 24th July 1990 at 8.45 (in name of Mr.R. Kaiser)

The Princess Grace Hospital

X-ray Department  
London W.I.

This is for an abdominal and bladder Ultrasound.

Oliver is not to have any breakfast that morning. After the Ultrasound he is to go to the out-patient department where I want him to have a urine specemin taken and also a blood test.

I enclose a letter for you to take along to the out-patient pathology department. I also enclose a form to give to the x-ray department.

2) Wednesday 25th July 1990 at 5.00 pm

The London Clinic

149 Harley Street

London W.I.

Appointment with Dr. Sutton

I will meet Oliver at the London Clinic with Dr. Sutton whom he saw previously. By that time I shall have received all of the results from the day before and will be able to discuss them.

Best wishes.

Yours sincerely,

Dr. Douglas Rossdale
