## CENTRE FOR CULTURAL STUDIES

15 March 1993

Ms Marjatta Lahti  
The Finish Library Association  
Museok 18A5  
00100 Helsinki  
FINLAND

Dear Ms Lahti

I apologise for my belated follow-up correspondence on issues we discussed when we met in Helsinki in September 1992. The tight end-of-the-year routine and the fact that I had to go on leave are the reason for the belated correspondence.

It was indeed a pleasure to meet you in Finland. We have since redesigned our plan for the Centre for Cultural Studies complex and revised the budget accordingly. This has resulted in the reduction of the costs and the viable phased development of the construction. We have submitted the revised funding proposal to FINNIDA. We would be pleased if you could follow-up the matter and keep us abreast of the developments.

We also intend to launch a project on the assemblage of the archives on resistance or struggle. It will be resistance or struggle. It will be appreciated if your Association can assist us in fundraising for the project.

Enclosed herewith please find our proposal for the Archives on Resistance Project and the letter addressed to FINNIDA. We have sent under separate cover the revised funding brochure.

Ike Maamoe is doing well. Your Association will soon be receiving his six month's report.

Thanking you in advance for your co-operation.

Yours sincerely

**PROFESSOR G T SIRAYI**
