Dear Sir

It was a great pleasure for me to meet with  
you in Maputo after the funeral of Gen. President  
Samora Machel, C: P on 29th. and 30th. Oct. 1986)

It was an answer to my prayers that I had that short opportunity to meet you. I've been longing for many years. I thank you very much that you listened so attentively to my questions and you answered them so politely and lovingly. Rest assured Sir that I'll always remember you in my prayers, and that you've a large following within the country both Church members and unchurched people. I have a strong believe that our liberation is drawing nearer and nearer. A.N.C. must be in Power in S. Africa, dark or blue!

I would like to pledge my loyalty to you, and that I'm fully prepared to help U.D.F. officials especially the regional ones in Nated, and President humede, provided that they'll be willing to accept my assistance. Thanks Sir  
Rev. Mandley S. H. H. H.
