Hiermee die manuskrip in sy finale stadium met jou laaste korreksies en dié van die Kunsgalery, sowel as die meeste van jou fakse met teksveranderings.

Ek hoop dit help.

Baie groete,

William Terry - I've just been called by
Clare from across the road who
asks me to have a look at her roof
because of a leak; I might get
stuck and stuck for a while,
but you are most welcome
to simply ring the bell at
No 29 (right in front)
and call me!

Op die volgende foto's kan ons nie ons hand lê
nie: *Three men in blue* (Gladys Mgudlandlu),
Unrelenting eyes (Selby Mvusi) en *New
Brighton cement works* (George Pemba). Die
tipograaf wat sal weet waar hulle is, kom eers
Dinsdag terug van vakansie.

Groete
