ADVANCE TO PEOPLE'S POWER!

Circular Letter

Our Ref: DIA/C/002/8/88

Re: Reports from ANC missions

In a determined effort to implement the resolutions of the 2nd National Consultative Conference of our movement held in Kabwe in 1985, aimed at inter alia, strengthening the fourth pillar of our struggle- international mobilisation. Our department has recently been strengthened with personnel, whose tasks essentially are to man different desks. The following comrades have thus joined our department at headquarters.

Dee Mashinini
Boki Nyatshane
Eddie Mabitse
Magang Phologane
Ralph Ngcakane, and
Thabo Mkula

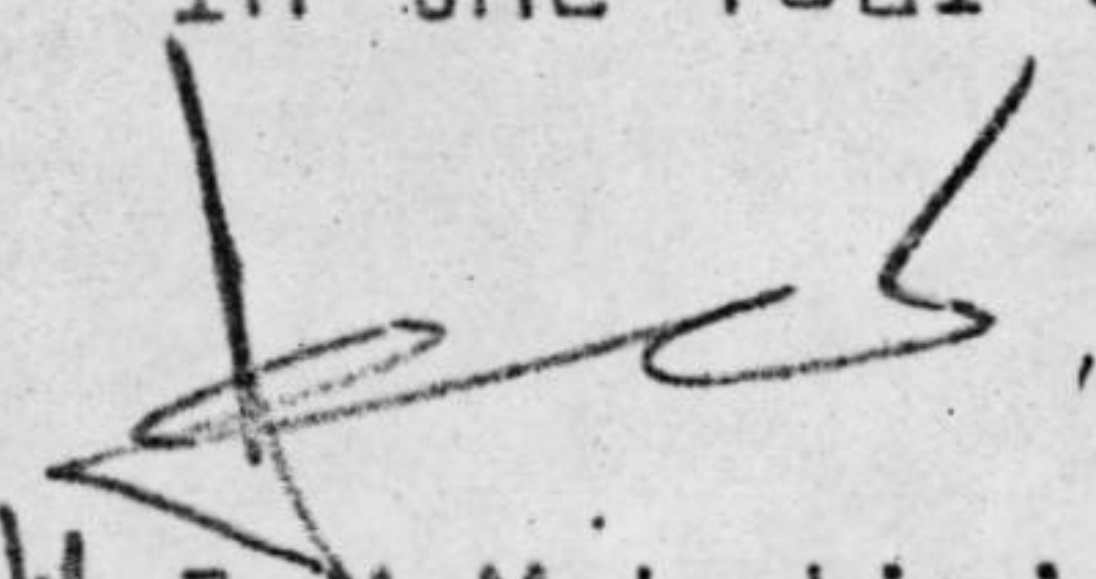

It is hoped that with the new personnel at headquarters, DIA will now be in a position to undertake its obligations of regularly briefing our missions on developments relating to our struggle.

It is in this context that we wish to recall the decisions arrived at during the Consultative Meetings of Chief Representatives held respectively in SOMAFECO (August 1987) and in Arusha at the conclusion of the international conference organised by the ANC. In particular we refer to the decisions that Chief Representatives send periodic reports to DIA.

We therefore, kindly appeal for your highest cooperation which we are confident will help improve and facilitate the running of our department.
