The Regional Treasurer,
Mazimbu.

Dear Comrade Doodles,

Re: Fire Extinguishers

May I refer you to my letter of May 24th and your reply of June 14th, 1982 regarding the above request.

I need not elaborate on the need of fire extinguishers, particularly in the dormitory section.

It appears from your note "further recommendation on transport" that you now have enough stock of the above items. I would, therefore, request that you supply us with 3 x 10 or 15kg extinguishers for each dormitory unit. That is to say one for each dormitory block.

You are also aware that the fire extinguishers must be checked every year, particularly if they have not been used.

Amandla!

T.K. Maseko.
