ATTENDANCE AND ATTITUDE

1. Sidney was asked about the letter that says he should not work in the sun. He said he was told that the it was given to a certain girl named Motlalepula. The matter was shelved for next week; and cde Nomsa was given a task of making enquiries about the letter.
2. Cde Knox wanted know where Sidney was working at the moment. Mafu said he last saw him working with the plumbers: that shocked Knox because the are also working in the sun.
3. Baba Ndlovu was asked to bring back a report about Mark and Robert he said they promised to come on Monday.

WORKS COMMITTEE REPORT

None

GENERAL BUSINESS

1. The report about our trip to Mikumi was still not satisfactory. It was reported that Doodles said that they were not properly informed about it.
2. Sidney complained about his problem of not have a proper accomodation. He said at the moment he is using a kitchen as a bedroom and every morning they wake him up at five o'clock, that is too early fr him.
3. Cde @aba volunteered to go and see the Director about the Mikumi matter: Baba Ndlovu was also selected to join him.
