Dear Professor Moodley

_ AGENDA : CO-ORDINATING COMMITTEE OF DEANS

In confirmation of the discussion we had, the following arrangements have been agreed to by

Professor J V van der Merwe, the Chairman of the Committee :

1. The Committee will be addressed by ANC representatives between 14:15 and 15:15. If slightly longer than an hour is required, this should not prove to be problematic.

2. The proposed dinner with Ms Cheryl Carolus will not take place due to her imminent departure overseas.

3. The proposed meeting between the ANC Health Desk and the Principals/Rectors and Deans of Universities with Medical Faculties and the College of Medicine is an entirely separate function and will be organised through your offices.

Kind regards

Yours sincerely

J R MAE DELLEE
