Re: NORDIC MEETINE OE ggC-YOUTH LEAGUE MEHBgEg

Dear Comrades

This letter follows a discussion I had with Mike (Sweden) while we were attending the Peace Run in Gottenborg. The discussion was about commemorating the first year of existence of the ANC-Youth League after re-leunching on the 27th October last year. Mike suggested that the Copenhagen event be the main event in the Nordic Countries with the Youth from the Nordic Countries travelling to Copenhagen to attend, and combining the commemoration arrangement with a one day's meeting of the Youth to address various issues. I suggest that the following issues be taken into consideration in drawing up the agenda:

- 1) A brief report from each region on their past activities and Evaluation of such activities,' plus 'the' ptesent situation - regarding number of members, future plans for the members, etc. similar to the Gottenborg meeting.
- 2) In light of point 1) what future structure should the ANCYL have regarding ite' members in this region.
- 3) How and what type of representation (if any) should the ANCYL have in this region.
- 4) The Nordic Countries contribution to the ANCYL's Congress in December - this will come out of the discussions from the first three points.

Note: We have discussed the various Congress discussion documents and submitted our recommendations to Head Quarters - so I don't see the need to discuss these again.

Please Cdes these are my own thoughts and need to be discuseed, but. I hope this will help to start the discussion. I further suggest that each country discuss my suggestions and forward suggestions to me.

The concert and disco will be open for the general public.
