26/2/92.

Sir

With reference to your letter dated 16/2/92 I wish to advise as follows:
That CODESA involves in the main political Parties and/or Organisations.

That CODESA encourages every other Interest Group to make submissions to any of its 5
Working Groups depending on what issue the Interest Group wishes to make a submission
on.

Therefore, as you can make a submission as an interest group (rather than a participant
) I
enclose for your consideration a copy of the Terms of Reference of Working Groups of
Codesa detailing the brief of each.

In the meanwhile, to facilitate the Management Committee's consideration of your
request,

you are kindly requested to respond to the attached questions and return it to the CODE
SA
office.

Wishing you all the best.

Yours Sincerely
