COMMISSION ON REGIONS

REF: 1/11/ !! /163

30 June 1993

The Commission on the
Demarcation/Delimitation of Regions
P O Box 307
ISANDO
1600

Sirs

The Commission's media statement of Tuesday 8 June 1993 at the World Trade Centre, Kempton Park refers.

At a meeting held between the management committees of Edenvale, Midrand, Modderfontein, Kempton Park and the Administrator of Tembisa it was unanimously agreed that the commission should be informed that the most viable regional demarcation would be to include Pretoria Metropolitan area into the present Northern Transvaal region and that such demarcation should not include any areas further south than Pretoria. This will ensure that present geographic economic units will not be divided.

It is trusted that the commission will take the above argument into consideration in determining the official demarcation/delimitation of regions.

Yours faithfully

H-J K Müller
TOWN CLERK
